Summer Series Recap

- The club's three event summer series was a success. We accomplished our goals of completing teardown before the heat became unbearable. Attendance was high enough to help the club break even.
- The summer Practice Day was sold out and was another successful event. The newly implemented grid queue was an improvement upon the grids used in previous Practice days with similar formats.

Budget Review

- The club's financials for 2006 are solid.

Equipment Update (Kevin Venisnik)

- The club has purchased an additional timing display, but we are awaiting cables in order to use them.
- New timing light stands have been ordered. The current light stands sag when used with the new lights.
- A motion was passed to purchase new cones in early '07. Jim Rohn will research pricing.

Fall 2006 Banquet Update (Tage)

- Possible dates in order of preference: Jan 6th, Jan 20th, or Jan 13th
- Tage will be working on further details.

2007 FIR Dates (Jim Rohn)

- The following dates have been confirmed with Firebird:
 - April 8th
 - May 20th
 - June 10th
 - July 8th
 - Aug 12th
 - Sept 16th
 - Nov 18th

- Dec 16th
- We are actively seeking alternative sites to supplement our schedule.
