

2010 Summer Event #1

July 10th-11th

The event will consist of two courses, one on Saturday and a different course on Sunday. Every entrant will get morning and afternoon runs, that will be separated by a brief lunch break. You can do either day, or both. There will be four classes: Stock Street Tire, Stock Race Tire, SP+ Street Tire, and SP+ Race Tire. Number of runs will be determined at site during the event, but based on last year we had 10 runs per day.

NOTICE: sound limit restrictions 93dB @50ft
